Highway Program Near
Completion

COUNCIL BUYS TRUCK

Rapid progress on the \$75,000 street paving program, which the Borough of Narberth is putting through, was reported at the meeting of Borough Council held in Elm Hall Monday night. The favorable weather of the last month has speeded the work.

Practically all the streets on the north side included in the program, with the exception of Conway avenue and contiguous thoroughfares, have been completed. Some of these are being held up by drain pipes.

There are still a number of the south side streets included in the highway improvement program which have not been reached yet, but at the present rate of progress work will soon be started on them. Among the south side thoroughfares scheduled for early attention is Rockland avenue, which will be paved from Wynnewood road to Narberth avenue.

The north side streets paved that run into Montgomery avenue have been left unfinished at the point where they join the pike, but this has been due to no fault of Narberth. The borough has paved its highways up to the borough lines.

The ragged condition will soon be remedied, however, for a letter from the County Commissioners promising pavement of the junction points was received by Council Monday. Montgomery avenue is a county highway and it is up to the County Commissioners to finish off the paving at the junction points.

The purchase of a five-ton truck for the collection of ashes in the borough was authorized by Council. It will cost \$5000.

One truck for such purposes is already owned by the borough. It has been found that the borough can do its own hauling of ashes cheaper than it can let contracts for such work to private individuals. A decided increase in ash collections has been noted the past few weeks due to the cold weather.

LAST CALL

To Community Club Birthday Luncheon on October 20.

This is the last chance for Community Club members to make reservations for the birthday luncheon on Tuesday, October 20. In fact, if you are reading this on Saturday, it is a little after the last chance, but try calling up Mrs. J. D. Sutherland. She may be able to squeeze you in, for it is a festivity that every member should share. Mrs. Reinking and her committee have planned a good luncheon and a pretty one, too. Miss Harrison's music is worthwhile in itself. Our old friends, Mrs. Prentiss Nichols and Mrs. R. J. Hamilton, are to speak to us, and we are to meet two new and charming friends in Mrs. Frick, president of our district, and Mrs. Barker, State Chairman of Juniors. This is a good time to bring a guest who you hope will become a member for during the informal reception in the library, which is to precede the luncheon, she can meet our club members in all their first of the year enthusiasm.

The Montgomery County Federation is to hold its fall meeting at Lansdale at 10 A. M. on Thursday, October 22. All those who would like to go please notify Mrs. H. A. Jacobs (Overbrook 5222) promptly, especially if you can supply an automobile. There is to be a box luncheon.

"The Romantic Age."

This play will be given by the Hedgerow Theatre players in the Merion Tribute House next Thursday evening at 8.30 o'clock.

Township Will Back Pepper, but as for Others--'Tis Early Yet

Only one thing is certain about the stand on candidates which the Lower Merion Republican organization will take in the spring primaries next May and that is that it will back the aspirations of Senator George Wharton Pepper for re-nomination. That was revealed this week when an attempt was made to draw out organization chieftains on the approaching spring campaign.

Primary war gossip was given an early start last week when Treasurer Joseph J. Skelton, of Bala, announced that he would be a candidate for the first Montgomery district assembly seat now held by Representative Benjamin Ludlow, of Ardmore, and State Senator Fletcher W. Stites, of Narberth, and former State Senator James S. Boyd, of Norristown, both let it become known that they intended running for the Republican nomination to the seat now held by Mr. Stites. An attempt to get the reaction of township stalwarts to these candidates, however, met with the almost unanimous plea that "it is too early to talk spring politics yet."

"The organization doesn't propose to discuss primary candidates until the November election is over and furthermore things are in such an open state now that no one at this time with any common sense is making any predictions or promises." This was the declaration of one stalwart high in the councils of the Lower Merion organization and similar sentiments were expressed by other "regulars" when spring politics are broached to them.

Many to Be Picked.

"In the coming primaries, there will be a Governor, a United States Senator, a Congressman, a State representative to the Republican State Committee and a man and woman representative from each district to the County Republican Committee chosen," it was explained. "All these will lean against the other and it is too early in the game to predict organization support for this candidate or that one."

"In the race for U. S. Senator," our informant went on, "one candidate is already in the field. Senator Pepper has announced that he will seek the nomination. Undoubtedly Governor Pinchot will also enter the field and Congressman Vare, of Philadelphia, may. But whether Bill Vare goes into the fight or not one thing is certain and that is that the Lower Merion organization will back Senator Pepper. That, however, is the only statement which can be made now for the township organization."

The fact that party regulars are loath to discuss candidates, however, is putting no damper on the activities of the politically ambitious. Up Norristown way there have been persistent rumors that Assemblyman Burd P. Evans, of Trappe, would enter the race for State Senator, and this week it was declared that these rumors were true.

Says the Norristown Times-Herald in a story about the ambitions of Representative Burd: "Telephone

PIANIST IS SOLOIST

The first concert of the Main Line Orchestra will be held in the Ardmore Theatre on November 22d. Adolph Vogel, conductor, announces Rosetta Samuel French, pianist, as soloist for this concert. Mrs. French will play a work with orchestral accompaniment and a group of songs, one in the second part of the program.

HORN WARNS OF FIRE

The blowing of a short circuited automobile horn attracted attention to a fire in the garage of James H. Bartlett, 338 Bala avenue, Cynwyd, at 6 o'clock Saturday morning. Police Officer DiBona, who heard the horn while covering his beat, investigated and summoned the Bala-Cynwyd Fire Company.

The fire was quickly extinguished, but not until the car, a new model sedan recently secured, had been badly damaged. The garage housing it was also burned slightly. The blaze was started by the short circuit.

MONEY FOR FUND POURS IN BUT MORE IS NEEDED

Legion Makes Acknowledgment of Endowment Contributions

"Over the Top" is now a common phrase, but where it has to do with something in connection with the late war, it has a very real meaning. Just so in Narberth. At the time of going to press, \$801 has been raised on our apportionment of \$750 for the endowment fund to care for the orphans of the men who gave their all for their country.

In grateful acknowledgment of their generosity, the American Legion herewith gives a statement of the contributions reported up to Wednesday night: \$25—Dr. C. T. Faries, William D. Smedley, J. J. Cabrey, A. C. Shand, Sr., Thomas Kerrigan, A. E. Wohlert, Rev. Keighton. \$50—American Legion Auxiliary. \$10—Dr. Leroy A. King, A. P. Redifer, Howard C. Fritsche, John F. Smith, David Duncan, Cook Bros, White's Sweet Shop, Ed. Wipf, Mrs. H. M. Chalfant, Mrs. Weld, John A. Caldwell, Robert J. Nash, Charles V. Noel, Carl B. Metzger, Dr. W. Koch, C. Franklin Fretz, Harry Adelizzi.

WATER TASTED BAD

Following complaints received this week by the Merion Civic Association about the taste and color of drinking water in Merion an analysis of the water there was made by Dr. Horn, of the Lower Merion Board of Health. Some residents complained of nausea after drinking it.

It was believed that recent storms might have accounted for the color of the water but until a report on the chemical analysis was received residents were advised to boil all water used. Complaints came largely from homes along Sycamore avenue and the south side.

Lower Merion Runs String to 29 Straight, Downing Cheltenham

The Lower Merion High football combination triumphed for the twenty-ninth time last Saturday afternoon over one of its oldest rivals, Cheltenham, by a score of 27 to 0. Although the score looks lopsided the Cheltenham men fought grittily against a much heavier and stronger team and succeeded in putting up a better fight than did Northeast on the previous Saturday.

Lower Merion practically took Cheltenham off its feet by scoring a touchdown in a whirlwind sweep down the field before the first two minutes of play were over. From then on the Merionites had the situation well in hand. Cheltenham's defense failed to cope with. Time after time Fort, Odiorne and Miller cracked the line for large gains and worried the Blue and Gold ends with sterling runs.

JEFFRIES PASTES BALL AT .509 CLIP

Leads Mates in Batting and Wins Cup Offered by R. S. Dunne.

BORO CHAMPS HIT HARD

Jack Jeffries, well known star of the Narberth baseball team, champions of the Main Line League for 1925, is the winner of the silver cup offered by Ralph S. Dunne, of the Narberth Coal and Building Material Company, to the man on the team holding the best batting average for the season, having played in 60 per cent. of the Main Line League games.

Jeffries played in 15 league games, was at the bat 57 times, and hit safe 29 times, making his average .509. Another player, Masters, had an excellent average of .538, but since he only played in five of the league games he could not be considered for the cup award.

For those in the town who know that Narberth has a champion ball team, but are uncertain of the reasons behind the fact, the following schedule of batting averages for all members of the team will be an explanation. It is significant of the powers of the team to know that a player with a batting average of .300 is considered a good man among the big leaguers. As listed in the following schedule there are only three Narberth players below the .300 average, and the average for the team as a whole is .389, a remarkable record which is seldom attained.

The cup will be awarded at the baseball banquet, and until that time will be displayed in the window of the Narberth Coal and Building Material Company.

PUBLISHER IS WED

Miss Carol L. Cummings and Philip Atlee Livingston Married in Phila.

The marriage of Miss Carol Lukens Cummings, of Philadelphia, to Mr. Philip Atlee Livingston, of Narberth, took place last Saturday at St. Stephen's Protestant Episcopal Church, Philadelphia. The ceremony was attended only by the immediate families of the couple.

Mrs. Livingston, who will graduate from the University of Pennsylvania in February, is editor of The Bennett News, the weekly newspaper of the women students, and is prominent in dramatic and athletic circles and is a member of Kappa Alpha Theta sorority.

Mr. Livingston is the son of Mrs. Mary M., and the late William Livingston. He has been a resident of Narberth for 13 years and a graduate of the Narberth High School and the University of Pennsylvania. Class of 1923. He is publisher of Our Town, The News of Bala-Cynwyd and The Main Lineer, Ardmore.

Mr. and Mrs. Livingston will return Monday from a trip to Jacksonville, Florida, on the SS. Persian.

STITES TALKS

The cornerstone of the new \$500,000 Cheltenham High School was laid on Tuesday. The principal address was delivered by State Senator Fletcher W. Stites, of Narberth.

Parents 164 Years Old.

Mr. and Mrs. William G. Downs, parents of Superintendent S. E. Downs, of Lower Merion, will observe their sixtieth wedding anniversary at their home in Butler, Pa., on October 24.

Their total age is 164 years. Mr. Downs senior is 83 years old and his wife is 81. They are both reported in the best of health.

Superintendent Downs was granted leave by the school board at its meeting Wednesday night in order that he might join his parents and help them celebrate their anniversary.

LEAGUE ELECTS AT ANNUAL MEETING

Mrs. C. P. Fowler Is Made Vice Chairman of Narberth Branch.

REPORT ON '26 OUTLOOK

The annual meeting of the Narberth Branch of the League of Women Voters was held in the Y. M. C. A. on Monday, October 12, with a very substantial number of members and friends present. Following the annual report of the officers the annual election was held with the following results for the year 1925-26: Chairman, Mrs. C. P. Fowler; vice chairman, Mrs. Earnest C. Drew; recording secretary, Mrs. Arthur Staples; corresponding secretary, Mrs. Fred Torrey; treasurer, Mrs. Carrall Downes.

Mrs. Herman L. Schwartz, long conspicuous in league work and a member of the State board, gave a complete and interesting outline of the coming activities of the league in both county and State and presented the suggested program of study of the coming winter, concluding with a resume of the political outlook for 1926.

The annual county convention will be held in Norristown on Thursday, October 29, beginning at 10.30 A. M. In addition to the reports of officers and chairman, there will be the address of the county chairman, Miss Gertrude Ely, and Mrs. Louis F. Slade, chairman of the New York State League. The candidates for director of the poor will also be present and address the convention. Members are urged to make their reservations early.

WOHLERT CAMPAIGN FELT

With the general election but three weeks off evidences of an active campaign on the part of Anton Emil Wohlert, who seeks a berth in the Narberth Council, are becoming daily stronger. Mr. Wohlert, who ran on the combined Republican and Democratic ticket in the recent primaries, was defeated for the Republican nomination but gained the Democratic one. Running as a Democrat this time indications are that he will give one of the four who secured Republican nominations a strong battle for Council.

KILLING FROST

On October 11 the temperature fell to 29 degrees, according to C. Decker, Co-operative Observer of Narberth. This was the earliest killing frost recorded since the Weather Bureau established a co-operative station at Narberth.

Last year it was not until the middle of November before such a heavy frost was experienced.

DE MAR AT M. E. CLUB

The Good Fellowship Club of the Methodist Church will meet Thursday evening, October 22. Special feature of the evening will be Mr. John De Mar, the well-known cartoonist. All the men of the community are invited. These meetings are growing in interest and are becoming a fixed part of the community life. Refreshments will be served.

What is the event of the season in Narberth? The Methodist church is the answer. When does it take place this year?

MAIN LINE CHORAL PLANS FOR SEASON

First Meeting of Fall Will Be Held in Ardmore on Monday.

BENTZ AGAIN DIRECTOR

Main Line folks who have evinced interest in the Main Line Choral, which was organized last year through a combination of several musical societies in Ardmore, Bryn Mawr, Narberth and other points, will be glad to know that the 1925-26 season will be formally inaugurated on Monday, October 19, by a meeting in the Ardmore Presbyterian Church, at 8 P. M.

While during the 1924-25 season the choral was not large in numbers, its work in the Christmas carols concert and in the spring concert in April was conspicuously successful and gave conclusive indication that under the direction of Mr. William P. Bentz, it will bring to the Main Line a degree of musical excellence in mixed chorus performance that is seldom achieved by other than professional organizations.

Most of the numbers of the choral are given a capella—without accompaniment—and only the best tonal qualities and finest sense of pitch are adequate to meet the stringent requirements of this method. In accompanied work many chorus weaknesses that would otherwise be woefully apparent are concealed and glossed over by the instrument, but a rendition of a capella leaves the singers entirely "on their own"—demanding the utmost in faithfulness to score and flexibility under the leader's baton. It is in work of this type that the Main Line Choral is ambition to excel, and bids fair to realize its ambition.

The interest aroused by the performance of the choral last year is widespread and is reflected in numerous inquiries that have come to the officers regarding the current season's activities.

COMMISSION ADVISES

That Bus Case Be Re-opened, Yet No Decision Has Been Given.

A letter was received by Secretary George C. Anderson, of the Lower Merion Commission, last week from the Public Service Commission at Harrisburg suggesting that Lower Merion and individual citizens of the township who objected to the route which the Philadelphia Suburban Transit Company plans to run down Wynnewood road through Merion and Wynnewood, petition the Commission to re-open hearings on the application.

This would indicate that a decision on the application has been rendered, but neither Narberth nor Lower Merion have yet been informed of one.

Both Merion and Wynnewood have been up in arms against the proposed route ever since they learned of it and they have been bombarding both the Public Service Commission and their representatives on the Lower Merion Commission with letters of protest.

SPEAKERS ANNOUNCED

For County League of Women Voters Convention.

Mrs. F. Louis Slade, of New York, president of the New York League of Women Voters and the candidate for the office of Director of the Poor in our own county, will be the speaker at the annual convention of the Montgomery County League of Women Voters.

This convention will be held at the City Hall, Norristown, on October 29, from 10.30 to 4 o'clock. Luncheon tickets, at \$1.25, can be secured from Mrs. Randolph Wright, chairman of the Norristown League, 1011 Swede street, before October 25.

HOLY NAME UNION WILL HOLD SECTIONAL RALLY

Six Suburban Societies Will Meet in Ardmore—Haughey, Marshal.

Next Sunday the Holy Name Union of Philadelphia will hold sectional rallies throughout the diocese. Six societies along the Main Line and in Upper Darby township will hold their rally at St. Colman's, Ardmore, at 3:30 P. M.

Michael F. Haughey, of Narberth, will be marshal and have charge of these societies: St. Patrick's, of Malvern; St. Katharine's, of Wayne; St. Margaret's, of Narberth; St. Alice's, of Stonehurst; St. Andrew's, of Drexel Hill, and St. Colman's, of Ardmore.

Monsignor Henry T. Drumgoole, pastor of St. Gregory's, West Philadelphia, will preach.

communication with the Evans residence Wednesday night elicited the information that he was not at home but Mrs. Evans admitted that he was a Senatorial candidate.

In some parts of Lower Merion it is felt that Evans, if he formally throws his hat into the ring, will not leave it there. "The final fight," said one politician, a follower of former Senator Boyd, "will be between Boyd and Stites, and Boyd will get organization support."

RUSH CHAPTER

D. A. R. Holds First Meeting of Season in Ardmore.

The Dr. Benjamin Rush Chapter, Daughters of American Revolution, has resumed its activities for the season, the first stated meeting being held last Saturday afternoon at the home of Mrs. Charles M. Irwin, Linwood avenue, Ardmore. Mrs. Samuel Z. Shope, the regent presided.

This suburban D. A. R. Chapter is keeping in step with the larger city chapters in influencing American women of revolutionary lineage to realize the responsibility of their descent and to co-operate with the patriotic ideals of the national society by connecting themselves with it.

This was shown by Mrs. H. M. Chalfant, the chapter registrar, in her report of eight applications being filed ready for approval in Washington, the youngest applicant being Miss Dorothy Irwin.

Miss Lillian Powell, of Philadelphia, delighted the Daughters with her musical selections, both vocal and instrumental, and Miss Perla A. Matthews, a member of the Philadelphia Chapter, D. A. R., held the attention of everyone during her rendition in Negro dialect, of the sayings of Chad and Mahala, "Way Down South in Dixie."

Freed in Bryn Mawr.

The proprietors of the new Bryn Mawr theatre have contracted with Mr. Freed, of Wayne, to take charge when ready to open.

WOULD BOOST PAY OF POLL OFFICIALS

Republican Committee Says They Are Underpaid for Work.

ALL REPORT HARMONY

A movement to increase the pay of election officials in Lower Merion was started at a meeting of the Lower Merion Republican Committee held in the township building in Ardmore, Monday night. These officials, it was declared, are grossly underpaid when the salaries they receive are compared to those given in Philadelphia and neighboring communities.

In Lower Merion, the judge of elections, inspector and assistant assessor are paid \$5 for the first 250 votes polled at their respective balloting places, and one dollar extra for succeeding 100 votes above that number. In Philadelphia, it was pointed out, these officials are given a flat rate of \$25 and in other communities they are paid \$20.

It is seldom that the highest paid election officers in Lower Merion, receive as much as \$15 and only those in the most populous districts approach that figure. In the recent primary election only the officials in the South Ardmore district, where approximately 605 votes were polled, received as high as \$9 a piece.

The FIRESIDE

Mr. and Mrs. William W. Mainor, of Avon road, are being congratulated on the birth of a daughter Sunday, October 11.

Miss Natalie Rogers is spending the week-end at Wernersville.

Mr. and Mrs. E. Stanton Henry and baby are visiting relatives in Washington, D. C.

Mrs. Robert J. Nash and Mrs. Joseph H. Miller are to be pages at the Pennsylvania D. A. R. convention at the Bellevue-Stratford Hotel next week.

Mr. and Mrs. A. H. Mueller, of Forest avenue, spent Wednesday at Atlantic City.

John Gilroy, of 216 Essex avenue, was able to be out Thursday after being confined to the house for a few days with a bad cold.

Dr. H. M. Chalfant represented Washington and Jefferson College at the inauguration of John Martin Thomas as president of Rutgers University. Mrs. Chalfant accompanied him and visited her daughter Dorothy, who is a senior in the university.

On Wednesday evening Mrs. R. L. Powell, of Merion avenue, assisted by Miss Ethel Wallace, of West Philadelphia, gave a 6 o'clock dinner and shower in honor of Miss Margaret Austin, of West Philadelphia, whose marriage to Mr. S. C. Zane, of Gloucester, N. J., will be an early event.

Those present were Mr. S. C. Zane, Mr. and Mrs. William Lockhart, Paoli, Pa.; Mr. and Mrs. W. G. Thomas, of West Philadelphia, Pa.; Miss Grace Stewart, Miss Rose Ehrle, of Berwyn, Pa.; Miss Margaret Meenan, Miss Frances White, Miss Selma Hotchkiss, Miss Olive Kelso, of West Philadelphia; Miss Helen Houston, Norristown, Pa.; Miss Kitty Geckle, Sewell, N. J.; Miss Frances Rockenstern, of Ardmore, Pa.; Miss V. Daugherty, Tacony, Pa.; Miss Frieda Hanse, Mr. F. A. English, Mr. Paul Crygton, Narberth.

Senior League Elects

The Senior Luther League elected the following officers for the present year: President, Freda Senn; vice-president, Anna Sell; secretary, Jean Gowland; treasurer, Raymond Maxwell.

The topic for discussion on Sunday will be "What is Expected of a Christian Citizen?" The leader will be Mary Dawson.

On Friday evening, October 30, the seniors are going to have a Hallowe'en social in the Sunday School room.

The meeting of the Junior Luther League will be held at 6:45 on Sunday evening. The topic will be "Bible Marv's and Other Marv's."

The social meeting will be held in the Sunday School room on Saturday evening, October 17. All Juniors are invited to come and bring their friends.

Zoning Marking Time.

Zoning in Lower Merion is marking time. No meeting of the Zoning Commission has been held since early last summer.

AT THE LIBRARY

Book of Modern Verse—Library Has New Collection.

Do you ever wish for a book you can open at any page, at any time, and find something delightful? Then come to the Narberth Community Library and try The Home Book of Modern Verse; a selection from American and English poetry of the twentieth century, compiled by Burton Egbert Stevenson. There you will find old friends and make new ones, and miss old friends, too, for there are most surprising omissions. Mr. Stevenson says that the poems were, after many siftings, chosen for content rather than name, and, moreover, that in certain cases regretted omissions were due to copyright conditions. Perhaps the last accounts for the absence of the verses of Kipling, Amy Lowell, Alfred Noyes and Robert Service, to mention only a few outstanding names. More serious in a supposedly representative collection is the almost complete absence of free verse or not, it assuredly is not a verse or not, it assuredly is not a negligible element in twentieth century verse.

The arrangement and physical make-up of the volume are admirable.

While the showing is very gratifying, the end is not yet. Many did not signify the amount of their contribution, and that is to be added; many others were not seen for various reasons, and anyone who had his or her contribution ready but did not have the opportunity to give it should send it to Mr. A. Perry Redifer, treasurer, 4 Shirley road, or to Henry A. Frye, 115 Wynnedale avenue.

Public recognition is often inadequate to express appreciation, but in this instance it can help. To Dr. LeRoy A. King as chairman of the Citizens' Committee goes the palm for the inspiration and masterful executive ability he brought to the task. Mr. Redifer as treasurer, the ladies of the Women's Auxiliaries, Mr. F. A. Lanahan and all of the Citizens' Committee by their co-operation and influence helped Commander Burns and his Legionnaires to rally around Dr. King and put the thing over. Names omitted from the committee inadvertently last week were Robert J. Nash and W. D. R. Evans, both of whom were worthy members.

To the Legion, this campaign was a bit of service, so its thanks to everybody are really only those of widowed mothers and their children who, through the instrumentality of our contributions, can hold their homes together and thus make our nation a better place in which to live.

"Cannel Coal is, in my opinion, the best fireplace fuel there is, provided it is burned in a grate. Its blaze is as bright and cheerful as that of wood; it throws out more heat and will burn steadily over a long period of time without the frequent attention that a wood fire always requires. It is a more concentrated form of fuel requiring less space in the cellar than a corresponding amount of fireplace wood."

L. M. SCHOOL BOARD WILL MEET GROWTH

Plans \$200,000 Addition to High School and New Grade Building.

ENROLLMENT IS 3454

Preparations for new and enlarged school buildings to take care of the rapidly increasing number of school children in Lower Merion were made at the monthly meeting of the school board held in the senior high school building in Ardmore last Wednesday night. Preliminary plans for an addition to the senior high school building were received from Ralph E. White, the board's architect, and a resolution authorizing the purchase of land in the southeast corner of the township for a new grade school was passed.

No definite arrangements for the addition to the high school have yet been made but it is estimated that it will cost approximately \$200,000 and will consist of 12 classrooms, an auditorium and six miscellaneous rooms for use as science laboratories and offices. The board hopes to be able to give out contracts for the structure by March 1, 1926.

The high school is now filled to capacity and school authorities fear that by next year the present building will be too small to take care of the enrollment without overcrowding. The intense development of real estate is bringing more and more people into the Lower Merion suburbs and the school enrollment is growing apace.

Authorize Purchase.

A resolution authorizing the purchase of not more than five acres of land near Haverford road and Remington road, in the southeast corner of the township, was approved. This will provide for the outer Ardmore and Overbrook section. Need for a school there was emphasized at the last meeting of the board.

The new Merion School on Bowman avenue, Merion, which has been under construction since spring, will probably not be ready until the Christmas holidays it was reported. The building was originally scheduled to be ready October 1.

Enrollment, 3454.

Ardmore leads in the enrollment of the grade schools with a total of 830. Bryn Mawr is second with 440 and Ashland is third with 430. The figures for the other schools are Cynwyd, 359; Bala, 193, and Merion Square, 131. There are 102 pupils listed as from Merion.

A report was made by the treasurer that \$551,753.96 was on hand for school purposes. This official also informed the board that Township Treasurer Skelton had collected and turned over to the board \$511,369.04 on the 1925 school taxes. This leaves a sum of \$155,845.87 yet to be collected. \$21,000 for Tuition.

A sum of \$21,000 for tuition of students from outside of the township it was reported had been collected. The majority of this money comes from Narberth, which sends its senior high school students to the Lower Merion High School.

An annual scholarship for a two-year course at the West Chester Normal School or the Millersville Normal School was received through the High School Alumni Association. This scholarship is open to students graduating from Lower Merion High. The donor, who prefers to keep his name a secret, stipulates that students from Merion Square shall be given a preference on this award.

TO HONOR DR. TILY

The 11 o'clock service next Sunday morning at St. John's Episcopal Church, Cynwyd, will be one for the chief purpose of paying tribute to Dr. Herbert J. Tily, who for 20 years has been organist and choirmaster in that parish.

ARDMORE DINERS WILL BE BANISHED

Building Committee Will Refuse Renewal of 60-Day Permits.

MAY FIGHT OUSTING

The two De Luxe diners, lunch wagons, which have agitated merchants of Ardmore since they began operation there last August, will be banished from Lower Merion. This was decided at a special meeting of the building committee of the Lower Merion Commission held in the township headquarters in Ardmore last Thursday.

Indications are that the owners of the diners will take their ejection to Court and fight the right of the township to oust them for they have retained Monroe H. Anders, of Ardmore, as their counsel. Actual steps to appeal the ouster decision are marking time until the recommendations of the building committee are approved by the Board of Commissioners at their meeting next week and until Attorney Anders has had opportunity to more closely examine the building code of the township.

The lunch wagons, one located at Lehigh and Lancaster avenues and the other on Ardmore avenue off Lancaster, have been operating on temporary 60-day permits. The committee has decided to refuse renewal of these when they expire at the end of October and in so doing are following an opinion rendered two weeks ago by Township Solicitor Parker S. Williams. He declared that a constant renewal of the "temporary" permits was illegal inasmuch as it was an evasion of the building code and made the "temporary" grants practically permanent ones.

Failed to Meet Code.

The diners were given 60-day permits when it was ruled that they did not meet the requirements of the building code for a permanent business building. These provide that the walls and the roof must be fireproof.

Some division of opinion has risen since the diners first appeared to agitate Ardmore merchants. One group, headed by William Holland, owner of a restaurant on Cricket avenue, has maintained that the movable diners are unfair competition to resident merchants and hence undesirable. Another group, marshaled by George Mathews, apartment house proprietor, has insisted that the lunch wagons are a business asset to the community.

So decided has this division become that at the meeting last week Secretary Albert L. Reinhold, of the Chamber of Commerce, which voted against the diners at a meeting early in the month, did not appear to protest.

MASKED PARADE

For Children by Chamber to Be Ardmore Halloween Feature.

A masquerade parade composed of children up to 18 years of age will be given under the auspices of the Ardmore Chamber of Commerce on Friday evening, October 30. The parade will form at 7 P. M. sharp at Wyoming and Lancaster avenues, Ardmore, and proceed easterly.

Prizes will be awarded for the best costumes and best music. The committee has decided not to award prizes for professionals. The committee having charge of the awarding of prizes to the holders of winning coupons for articles in Treasure Chest will make the drawing on Friday morning and place the prizes in the windows along with a list showing the numbers of winning coupons.

LUDLOW DRIVE LEADER

Benjamin H. Ludlow, of Ardmore, who represents Lower Merion and the First Montgomery district in the Legislature, will direct the fifth annual Welfare Federation campaign, which will open on October 28 and continue for eight days.

His appointment as chairman of the campaign committee was announced Monday at the first formal meeting of the division chairmen who will conduct the drive, which has for its goal \$3,000,000.

Wilmington Next!

This Saturday's game with Wilmington High will be one of much interest as it will be the first time in a number of years that the two teams have met. Last Saturday Wilmington defeated Northeast High at Northeast by a 6 to 0 score, so a likely tussle may be expected on the Ardmore field.

Wilmington, from reports, is a team equally as large as the home eleven and with a veteran line. The Merion team now has the brunt of the schedule with opponents such as Radnor, West Chester, Abington, Pottstown and Lansdowne yet to face. Each of the ensuing tilts promises to be more tightly contested than the three past games.

Seniors Elect.

Last Monday morning the senior class while at a mass meeting elected its officers for the coming year and in doing so an unusual event happened. As is generally the case the class officers are equally divided into amongst the girls and boys, but at the last election all four offices were taken by boys. S. Eugene Kuen, of Cynwyd, was elected president of the class of 1926; Howard Morris, of Bryn Mawr, was elected vice president; Robert Seitch, of Narberth, was elected secretary, and Ivan Goul, of Ardmore, was elected treasurer.

This class has thus far proved one of the most successful in the history of the high school both in its scholastic as well as its athletic standings.

Within the last week several clubs have been organized in the school, principally to promote leadership and to better as well as acquaint the students more clearly with the different types of scholastic work.

Organize French Clubs.

The French Clubs organized by each of three classes in the senior high school are supervised by Miss Baker, who is the head of the French department at the high school.

The elections are as follows:
The Senior Class French Club—President, Theodora Linn; vice president, Fred Egmore; secretary, Peggy Baker; treasurer, Norman Knipe.

The Junior Class French Club—President, Sarah Huntington; vice president, Paul Dohan; secretary and treasurer, Charles Pennyacker.

The Sophomore Class French Club—President, Mary Miller Kress; vice president, Jane Shallcross; secretary and treasurer, Ellen Shaw.

In the Spanish department, of which Miss Bischoff is in charge, one club has been organized by the three classes. Various Spanish incidents, trips, songs and points of interest are to be discussed and a full program of exceptionally interesting events are promised.

The officers elected are as follows—President, Jane Knowlton; vice president, John Martin; secretary and treasurer, Conrad Barker.

Herbert Slaughter, who will be remembered for his high scholastic work at high, was awarded recently a scholarship to Harvard University. The preceding year Erskine Westervelt also received a scholarship to that institution.

RECITAL AT CHURCH

A recital will be given in the Lutheran Church on Friday evening, the 6th of November, by Mr. Snyder of the University of Pennsylvania engaged as musical director at the Narberth Lutheran Church. He will have with him a professional accompanist on the piano. Silver offering will be asked.
